

# Live Online Training Interactive Scenarios

## Exercise Schedule

The following exercises will be used during class to demonstrate the Live Training material.

### During Class - Day 1

- 1: Hands-On Python Foundations Scenarios - Getting started with Python (001) <https://learning.oreilly.com/scenarios/hands-on-python-foundations/9780137904648X001/> Arianne Dee, Pearson
- 2: Hands-On Python Foundations: Types, Variables and Strings (002) <https://learning.oreilly.com/scenarios/hands-on-python-foundations/9780137904648X002/> Arianne Dee, Pearson
- 3: Hands-On Python Foundations: Functions and Control Flow (003) <https://learning.oreilly.com/scenarios/hands-on-python-foundations/9780137904648X003/> Arianne Dee, Pearson

### During Class - Day 2

- 4: Hands-On Python Foundations: Data Structures (004) <https://learning.oreilly.com/scenarios/hands-on-python-foundations/9780137904648X004/> Arianne Dee, Pearson
- 5: Hands-On Python Foundations: Exceptions and File Handling (005) <https://learning.oreilly.com/scenarios/hands-on-python-foundations/9780137904648X005/> Arianne Dee, Pearson
- 6: Hands-On Python Foundations: Requests and APIs (006) <https://learning.oreilly.com/scenarios/hands-on-python-foundations/9780137904648X006/> Arianne Dee, Pearson

### During Class - Day 3

- 7: Hands-On Python Foundations: Virtual Environments and Pip (007) <https://learning.oreilly.com/scenarios/hands-on-python-foundations/9780137904648X007/> Arianne Dee, Pearson

- 8: Hands-On Python Foundations: Intro to Classes  
(008) <https://learning.oreilly.com/scenarios/hands-on-python-foundations/9780137904648X008/> Arianne Dee, Pearson
- 9: Hands-On Python Foundations: Modules and Packages  
(009) <https://learning.oreilly.com/scenarios/hands-on-python-foundations/9780137904648X009/> Arianne Dee, Pearson
